

## Printing Specific Categories of Delinquency

You can run reports of specific categories of delinquencies using the Property List with Filter option under Other Reports in Report Writer. Sort it by Type, Parcel, and tell it to scan Delinquent Real only. When you get to the PROPERTY filter, select Edit Current Query and enter this in:

**If you want only 1<sup>st</sup> year delinquents:**

EMPTY(DLQ\_CLOSE) .AND. EXEMPT="01".AND. DELINQ\_YR = 2004

**If you want only prior year delinquents:**

! EMPTY(DLQ\_CLOSE) .AND. EXEMPT="01".AND. DELINQ\_YR = 2004

**If you want only certified:**

EXEMPT="05".AND. DELINQ\_YR = 2004

**If you want only bankruptcy:**

EXEMPT="06".AND. DELINQ\_YR = 2004
